## INSTRUCTIONS

### WHO MUST FILE A RETURN

A return must be filed by all persons who produce, refine, blend, compound or manufacture vehicle fuel in the City or transport or have transported vehicle fuel to any location in the City or receive in the City vehicle fuel upon which the Harvey Distributor Fuel Tax has not been paid, or sell vehicle fuel to a retail dealer for resale in the City. This excludes persons who transport fuel into the City for their own use.

### REMITTING THE TAX

The distributor of vehicle fuel who sells to any retailer or purchaser in the City of Harvey shall collect the tax and remit the same to the City Collector on a monthly basis. The tax is due by the last day of the month following the month in which the sale is made. A completed return must accompany each remittance of tax and must be mailed in sufficient time to be postmarked on or before the due date. Any tax paid late shall first be applied to penalty for said period, then to interest due for said period and the remainder to tax for said period.

### PENALTY AND INTEREST FOR LATE PAYMENT

Any tax not paid or remitted when due shall bear interest at the rate of 2% per month or a fraction of a month until the tax is paid. In addition to any interest charge, any tax not paid or remitted or any tax return not filed when due shall be subject to a 10% late penalty.
